Information About Your Account

Making Your Payments:

The amount of your payment should be at least your minimum payment due, payable in U.S. dollars and drawn on or payable through a U.S. financial institution or the U.S. branch of a foreign financial institution. You can pay down balances faster by paying more than the minimum payment or the total unpaid balance on your account.

You may make payments electronically through our website or by one of our customer service phone numbers above. In using any of these channels, you are authorizing us to withdraw funds as a one-time electronic funds transfer from your bank account. In our automated phone system, this authorization is provided via entry of a personal identification number. You may revoke this authorization by cancelling your payment through our website or customer service telephone numbers prior to the payment processing. If we receive your completed payment request through one of these channels by 11:59 p.m. Eastern Time, we will credit your payment as of that day. If we receive your request after 11:59 p.m. Eastern Time, we will credit your payment as of the next calendar day. If you specify a future date in your request we will credit your payment as of that day.

If you pay by regular U.S. mail to the Payments address shown on this statement, write your account number on your check or money order and include the payment coupon in the envelope. Do not send more than one payment or coupon per envelope. Do not staple, clip or tape the documents. Do not include correspondence. Do not send cash. If we receive your properly prepared payment on any day by 5 p.m. local time at our Payments address on this statement, we will credit to your account that day. If your payment is received after 5 p.m. local time at our Payments address on this statement, we will credit it to your account as of the next calendar day.

For all other payments or for any payment type above for which you do not follow our payment instructions, crediting of your payments may be delayed for up to 5 days.

Account Information Reported To Credit Bureau:

We may report information about your Account to credit bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report. If you think we have reported inaccurate information to a credit bureau, please write to us at Chase Card Services P.O. Box 15369, Wilmington, DE 19850-5369.

Authorization To Convert Your Check To An Electronic Transfer Debit:
When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check. Your bank account may be debited as soon as the same day we receive your payment. You will not receive your check back from your institution.

Conditional Payments:

Any payment check or other form of payment that you send us for less than the full balance due that is marked "paid in full" or contains a similar notation, or that you otherwise tender in full satisfaction of a disputed amount, must be sent to Card Services, P.O. Box 15049, Wilmington, DE 19850-5049. We reserve all our rights regarding these payments (e.g., if it is determined there is no valid dispute or if any such check is received at any other address, we may accept the check and you still owe any remaining balance). We may refuse to accept any such payment by returning it to you, not cashing it or destroying it. All other payments that you make should be sent to the regular Payment address shown on this statement.

Annual Renewal Notice:

If your Account Agreement has an annual membership fee, you are responsible for it every year your Account is open. We will add your annual membership fee to your monthly billing statement once a year, whether or not you use your account. Your annual membership fee will be added to your purchase balance and may incur interest. The annual membership fee is non-refundable unless you notify us that you wish to

close your account within 30 days or one billing cycle (whichever is less) after we provide the statement on which the annual membership fee is billed. Your payment of the annual membership fee does not affect our rights to close your Account and to limit your right to make transactions on your Account. If your Account is closed by you or us, the annual membership fee will no longer be billed to your Account.

Calculation Of Balance Subject To Interest Rate:

Daily Interest Rates and Annual Percentage Rates may be found on the Rates and Fees Table. Periodic Interest Charge Calculation - Daily balance method (including new transactions): We calculate a daily balance for each type of transaction and use the daily balances to determine your interest charges. We figure the "daily balance" for each transaction type as follows:

- We take the beginning balance for each day and add any interest charge from the prior day (known as compounding of interest) and any new transactions or other debits (including Annual Membership Fees, transaction fees, Penalty Fees, any other fees and unpaid interest charges).
- We subtract payments or credits and treat any net credit balance as a zero balance.

The result is the daily balance for each type of transaction. We figure the interest charges on your account as follows:

- To get the daily interest rate for each type of transaction we divide the APR by 365. We may combine different transaction types that have the same daily interest rates.
- We multiply the daily interest rate by the daily balance for each transaction type for each day in the billing cycle.
- We add together the interest charges for each day in the billing cycle for each transaction type.
- If any interest charge is due, we will charge you at least the minimum interest charge shown on the Rates and Fees Table. We add transactions and fees to your daily balance no earlier than:
 - For new purchases (including Chase Pay Over Time plans created at checkout with select merchants), balance transfers, cash advances, or My Chase Loans - the date of the transaction.
 - For new cash advance checks or balance transfer checks - the date the payee deposits the check.
 - Fees - either on the date of a related transaction, the date they are posted to your account, or the last day of the billing cycle, whichever we may choose.

The Balances Subject to Interest Rate for each type of transaction shown on your billing statement is the sum of the daily balances for that type of transaction divided by the number of days in the billing cycle. We may use mathematical formulas that produce equivalent results to calculate the Balance Subject to Interest Rate, interest charges and related amounts. Credit Limit: If you want to inquire about your options to help prevent your account from exceeding your credit limit, please call the number on the back of your card.
